PROGRAMS AND EVENTS

The Adair County Family YMCA is looking for your support in sponsoring our youth programs and events. We are offering you a way to get your business name and logo out into the community. The Y never turns anyone away because of their financial limitations. Along with your help, we hope to raise funds to allow every child in our community the opportunity to participate in sports programs. Your generous contribution will allow us to ensure each child in our community has an equal opportunity to participate in our youth programs.

Youth Basketball

Fall basketball is for kids K- 6th grade. As a sponsor your businesses logo will appear on all shirts, promotional materials, and you will receive end of season social media recognition.

Youth Volleyball

Youth Volleyball is for kids 3rd - 6th grade. As a sponsor your businesses logo will appear on all shirts, promotional materials, and you will receive end of season social media recognition.

Little Dribblers

Little dribblers is for kiddos 3-5 years old that are not quite ready for our basketball league. Kids will have the opportunity to learn the fundamentals of basketball while making new friends. As a sponsor your businesses logo will be included on all shirts, promotional materials, and you will receive social media recognition.

Turkey Trot 5k

The Turkey Trot is our annual fundraiser for the United Way of Northeast Missouri. All funds raised from this event will be donated back to the United Way. As a sponsor your businesses logo will be on all shirts, promotional material, and you will receive social media recognition. Your business will also get three free entries for the race with a t-shirt included.

The cost of sponsorship is \$175 per program or \$650 for all programs. Attached is a sponsorship form, which you are welcome to fill out and mail to the YMCA at your convenience. We greatly appreciate your investment in the Adair County Family YMCA and the Kirksville community. With any questions, please email Savannah Christian at schristian@adairymca.org.
